The provision of ₹15,000/- as an increase to the Government House Budget for 1904 - '05, for purchasing 30 Tongas, may be sanctioned. For special occasions, such as the Races and Dussara, carriages are hired at present at much cost, but by maintaining a reserve of Tongas which can be harnessed with Transport ponies, a substantial saving may be effected. The amount may, therefore, be sanctioned. The Councillors are agreeable to the proposal.

MYSORE GOVERNMENT
1 JUN 1904
GENERAL & REVENUE SECRETARIAT.

Serial No.

Anantasawmy Rao, Esquire, B.A.,

Offg: Secretary to the Govt. of H.H. the Maharaja of Mysore, Genl. & Rev: Departments.

Sir,

I have the honor to inform you that the number of carriages we have at the Govt. Stables, though sufficient to meet ordinary requirements is found inadequate for occasions like the Mysore Races, Dusserah and other special entertainments when carriages are hired at a considerable expense to Government.

I brought this to the notice of the Dewan and pointed out that this heavy expenditure could be avoided if the Transport Ponies could be made available on such occasion by the addition of 30 Tongas to the Carriage Department.

He approved of the above suggestion and asked me to take immediate steps for the gradual introduction of the Tongas. As soon as I have decided on the style of Tonga to be built. I propose having a few made up at the Military Stores and the rest given on contract.

The cost of each Tonga (with rubber tyres) will probably amount to Rs. 500/-. The ~~twenty~~ Thirty will therefore cost Rs. 15,000/-. This is only a small sum and the eventual savings in hire will more than cover this outlay. The amount provided in the Govt. House Budget for renewal of carriages during 1904-05 is Rs. 5000/- to which amount the above sum of Rs. 15,000 should be added making the total estimate Rs. 20,000/-.

I beg that sanction of Government in Financial Departments may kindly be obtained to the above proposal and the same communicated

at an early date, to the Comptroller with a view to the necessary provision being made in the Government House Budget for the construction of the Tongas.

I have the honor to be,

Sir,

Your most obedient servant.

Lt.-Col

Military Assistant.
